BOLT chandelier 18 arm

Design by Anton de Groof, 2013

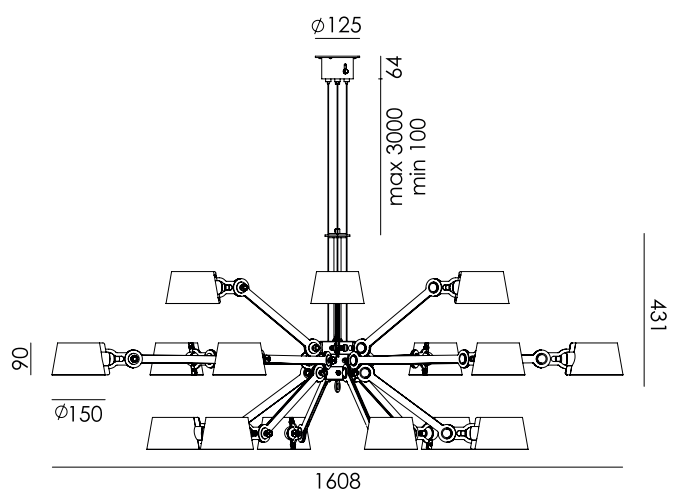

Starting point for the products of Tonone is the passion for traditional mechanics. The first product line that resulted from this fascination is the lamp series 'Bolt'. Key element in this industrial series is the joint construction that can be adjusted with a wingnut-shaped tool. Besides being a functional tool, this wingnut is integrated in the design of the lamp itself as a distinctive visual element. The Bolt collection is available in 29 different models and in 10 colors.

Type	Chandelier
Environment	Indoor
Material	Steel & aluminum
Wingnut	Wingnut Solid Brass included
Cord length	Max 3000 mm
Weight	15 kg

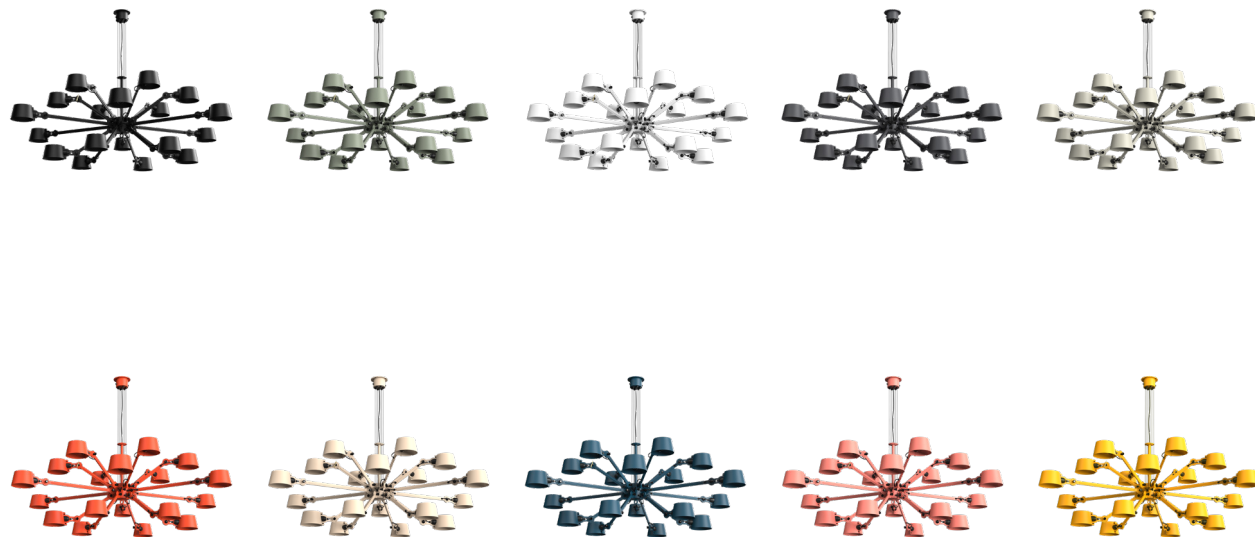

Voltage	220–240 V
