THE ITALIAN ESSENCE

# ELINOR ELN200/260/300X110

DESIGN:  
CLAUDIO BELLINI

The Elinor table collection, with its soft and curving lines, conveys a refined yet contemporary image. The base is formed of two moulded elements of fixed dimensions, made from rigid polyurethane foam and upholstered in genuine leather; they support a square table top in ultra-thin 6mm solid laminate, with rounded lacquered MDF support beneath it which conceals the steel structure. The two elements of the base are arranged symmetrically. Available in two layouts that allow different aesthetic results: they can be positioned in a way that recalls closed or open brackets.
