Massimocopenhagen was founded in 2001 by Mads Frandsen. Our aim is to offer our customers sustainable rugs, excellent quality, first class service and competitive prices.

The creative team of massimocopenhagen is developing high quality sustainable handknotted and handwoven rugs for domestic and contract use. The production is based on centuries-old tradition and technique, seeking to create a dialogue between the established and the experimental, the past and the present. We are using the finest natural yarns, creating rugs that we believe to be precious, unique and having a long lasting value.

We love what we do and enjoy each step of our journey!
