SE 05, 06, 07 DINING CHAIR  
Martin Visser - 1960

#### **TIMELESS CRAFTSMANSHIP**

Martin Visser's unmistakable signature is clearly visible in the seemingly simple design of his SE chairs. Like his colleagues Marcel Breuer and Poul Kjærholm, Visser designed his SE chairs in three versions: in fabric (SE 07), saddle leather (SE 06), and the SE 05 in rattan.

De onmiskenbare signatuur van Martin Visser is duidelijk zichtbaar in het ogenschijnlijk eenvoudige ontwerp van zijn SE stoelen. Net als zijn collega's Marcel Breuer en Poul Kjærholm ontwierp Visser zijn SE stoelen in drie uitvoeringen: met stof (SE 07), in tuigleer (SE 06) en de SE 05 in rotan.
