

BR 02 SOFA BED
Martin Visser - 1960

THE EYE OPENING SOFA BED

Design icon and eye opener: the BR 02 sofa bed by Martin Visser. Designed in 1960 and has not been out of production for a day since. Because of the clear construction and timeless design language, this design is made to transcend generations! In one single movement, the sofa can be converted into a single sofa bed.

Design icoon en eye-opener: de BR 02 slaapbank van Martin Visser. Ontworpen in 1960 en sindsdien geen dag uit productie geweest. Door de heldere constructie en tijdloze vormtaal is dit ontwerp gemaakt om generaties lang mee te gaan! In één beweging is de bank om te bouwen tot een eenpersoons slaapbank.

TANGLED SIDE TABLE
Carolina Wilcke - 2016

BEAUTY OF SIMPLICITY

The BR 12 has the same mechanism as our BR 02 sofa, so this sofa too can be transformed into a sofa bed in no time at all. The Tangled side table was designed in 2016 by Carolina Wilcke as part of the Tangled series.

De BR 12 heeft hetzelfde mechanisme als onze BR 02 bank, dus ook deze bank is in een handomdraai om te toveren tot slaapbank. De Tangled bijzettafel is in 2016 ontworpen door Carolina Wilcke als onderdeel van de Tangled serie.
