**Dimensions Bowl Big**

diameter 600 mm

height 355 mm

Bowl is an aesthetically strong storage unit to keep your everyday items close to hand. A true piece of mono-function furniture, items placed within take on a new aesthetic meaning, whether you choose to be creative with your selection of items or a little more haphazard.

*Bowl will be launched at Stockholm Furniture Fair 2015 at the Fogia stand B02:13 and at Fogia Concept Store in Stockholm.*

## About Fogia

Fogia is one of the leading furniture brands in Sweden. From our conception in 1981, we have collaborated with some of the most recognised designers in Scandinavia. Our pieces are crafted in classic materials, fusing fine craftsmanship & contemporary technology in our own factory in Northern Europe. We make our furniture from the ground up for those who appreciate impeccable design, craftsmanship and quality.

# Bowl

ANDREAS ENGESVIK

Bowl är en unik produkt i innovativ design att förvara dina älsklingsföremål i. En vacker lösning på ett enkelt behov och en plats där vardagliga detaljer får ny mening. Livets små ting blir vackra i Bowl, oavsett om du väljer dessa med omsorg eller är mer spontant lagd.

*Bowl is an aesthetically strong storage unit to keep your everyday items close to hand. A true piece of mono-function furniture, items placed within take on a new aesthetic meaning, whether you choose to be creative with your selection of items or a little more haphazard.*
